

GRAYSWAN CHARITABLE TRUST NEWS

BUILDING LIVES IN A CHANGING WORLD

With your support we have made an incredible difference in the lives of people in the first half of the year.

It’s been two years of a global pandemic and a National State of disaster, which we know has impacted the lives of every person. While such challenging times can leave people quite despondent, we’ve seen incredible impact across our community partners, relationships and volunteers as people continue to rally together to make a difference.

INSPIRE. UNITE. PLAY SOCCER.

The GraySwan Charitable Trust along with your support has managed to support a young soccer team by blessing them with new soccer balls and a brand-new soccer kit with their beautiful logo on.

They also got to enjoy professional photographs taken in their brand-new kit to celebrate what we believe in a new chapter of overcoming obstacles, achieving their dreams, and celebrating the fact that they are each valuable.

Furthermore, we have started a project where we will be improving their soccer field so that they can continue to train and win championships.

START YOUR SCHOOL DAY WITH CONFIDENCE

In South Africa, 3 in 10 girls miss up to a week of school every month because they can't afford sanitary products. This statistic can overwhelm us, or we can choose to start with the girls in our immediate sphere of influence and eradicate period poverty.

We choose to start with the girls in our own yard. Danie Ackerman is a school we have been supporting for years and are committed to seeing them rise from strength to strength.

We donated reusable feminine products to the value of R11 000 to Danie Ackerman Primary School. The Headmaster, Mr Manus, one of their teachers, Ms Raymonde Smith, the Head Girl & Deputy Head Girl were able to receive the gift from the GraySwan Team on behalf of the girls.

We are pleased that the girls won't need to worry about purchasing sanitary products.

They can continue to walk with a purpose.

MAKE A MEANINGFUL DIFFERENCE IN THE
LIVES OF THE LESS PRIVILEGED BY GIVING.

WALK WITH A PURPOSE

We continue to be passionate about our shoe initiative, Walk with a Purpose, as it is such a bold act of kindness.

The 2021 lockdown taught us that “kindness is never under lockdown.”

We were delighted to hear that the Nomzamo High School U/19 Netball Team would be participating in the Top Schools Tournament in Johannesburg and were able to send them off with sneakers to remind them that they matter, are seen and believed in.

Dr. GJ. Joubert Primary School's Netball team also received eleven pairs of sneakers for their girls.

"Do for one what you wish you could do for everyone."

ANDY STANLEY

BE PROUD OF YOUR HERITAGE

We furthermore redid the signage at Danie Ackerman as the school turns 90 next year and what better way to enter a new decade with upgraded signage to portray a proud heritage.

We hope that the beautiful images that we share with you will give you a glimpse of what is possible and inspire you to believe that together we can encourage everyone around us to walk with a purpose, especially those who suffer economic challenges.

We are confident that we will see brighter days as we continue to build the lives of people together. People who are supported, strong and provided for continue to walk with a purpose.

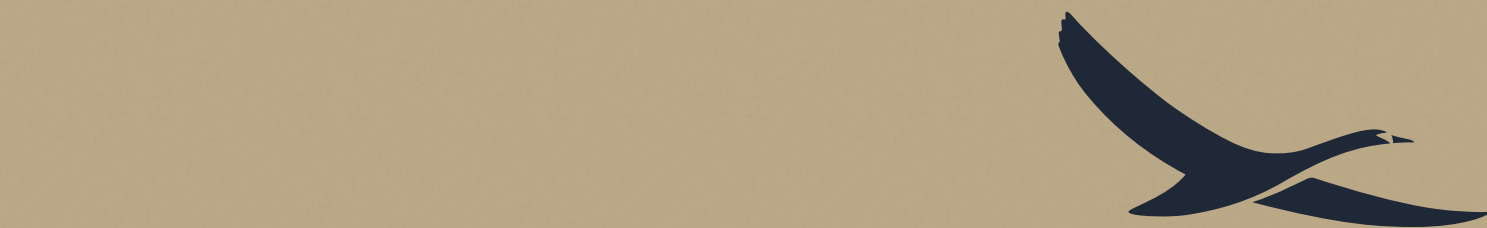

SUMMIT4PURPOSE

GraySwan was the proud sponsor of essential transportation for an initiative called Summit4Purpose. The charity, Together Against Covid, took out a group of young teens from the Little Smarties street school in Macassar on regular monthly outings to connect with nature, develop life skills and enjoy getting to know more about the beautiful Helderberg region. They were joined by volunteers to motivate and interact with the teens.

These experiences were a brilliant way to assist them with building self-esteem, teamwork, exposure to new horizons and brighter futures.
